## **GSM Netherlands (Munckhof) named one of the best managed companies in the Netherlands**

GSM Netherlands (Munckhof Travel) has once again been named one of the 45 Best Managed Companies in The Netherlands. The competition searches for the best lead enterprising companies in large and mid-scale businesses, and this year had over 150 companies participate. This is the second time Munckhof has been highlighted in this competition which is led locally by Deloitte.

“The Best Managed Companies programme has great added value for Munckhof. It forces us to take a comprehensive look at and contemplate the important aspects of our business strategies and primary processes. Our company excelled in amongst other things innovation and strategies”, said Tom Roefs, General Director.
